

WORLD-CLASS SAFETY AT ADLER

OUR SAFETY OBJECTIVE

To continually build a strong Health and Safety culture that changes attitudes and behaviour with its employee and on the job site.

Adler is COR certified (certificate of recognition) from Alberta Employment, Immigration and Industry. Adler safety officers have obtained their National Construction Safety Officer (NCSO) designation.

ADLER IN YOUR COMMUNITY

Adler is committed to supporting causes that matter to our partners, our employees and our communities. We aim to make a difference in communities through sponsorships, donations and the volunteer spirit of employees.

With a strategic focus on health and wellness Adler sponsors local minor hockey, men's hockey & baseball and Young Life. Adler is doing its part in becoming a better global citizen by sponsoring children and partnering with non-profit organizations; such as, Feviva World. We are investing in the social and economic development of communities across the world.
